

SULPHUR SPRINGS UNION SCHOOL DISTRICT

Local Control Accountability Plan (LCAP)

All Staff Input Meeting

The LCAP is an important component of the LCFF (Local Control Funding Formula) which is California's approach to funding public schools by streamlining the system and giving school districts more flexibility in how they spend their resources to promote student achievement. The LCAP describes how school districts intend to meet annual goals for all pupils, with specific activities to address state and local priorities. Please find the live link on our SSUSD website.
