

Local Control Accountability Plan (LCAP)

The LCAP is an important component of the LCFF (Local Control Funding Formula) which is California's approach to funding public schools by streamlining the system and giving school districts more flexibility in how they spend their resources to promote student achievement. The LCAP describes how school districts intend to meet annual goals for all pupils, with specific activities to address state and local priorities.

Teacher/Site Classified Staff Input Meetings

February 25

(18-19 LCAP Annual Update)

3:00 PM

Early-Start Teachers
(CS, PT, LC)

at Canyon Springs
