If your child arrives after 7:45am., he or she must stop at the office to get their green tardy pass.

STUDENT SUPERVISION

Supervision of students begins at 7:25am. To ensure the safety of all children, students **SHOULD NOT** be on the school grounds before that time. If you leave for work early, please make necessary arrangements to have your child taken care of until supervision begins. Students are expected to be in line and ready to enter their classrooms when the warning bell rings at 7:42am.

SCHOOL OFFICE

The office is open from 7:15am until 3:45pm. Monday through Friday. Phones are answered during office hours only. There are no classroom interruptions from 8:00am to 12:00pm. If you need to pick up your child for any reason during school hours, you will need to come into the office, show identification, and sign out your child.

STUDENT DRESS CODE EXPECTATIONS

Students shall wear appropriate clothing and maintain good personal hygiene in a manner that reflects a respect for the learning environment and does not distract from the educational setting.

Therefore, the following expectations apply:

1. Shoes must be worn at all times. Shoes must cover toes and have a back strap. Flip-flops, backless shoes, sandals, high heels, platforms, wedges, sneaker heels, or roller shoes (wheelies) are not acceptable. Appropriate shoes for running and playing must be worn at all times.
2. Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia, which are crude, vulgar, profane, sexually suggestive, or which contain drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice. Dangling jewelry, such as large hoop earrings, necklaces, spikes through ears, and hoops in noses or eyes are not permitted for safety reasons.
3. Hats, caps, and sweatshirt hoodies shall not be worn indoors.
4. Clothes shall be sufficient to conceal undergarments at all times. See-through or fishnet fabrics, halter-tops, off-the-shoulder, low-cut tops, and bare midriffs are prohibited.
5. Skirts and shorts should not be shorter than mid-thigh. The appropriate length recommendation is that the hem of the skirt/short should be the same length as the end of your hand when your arms are extended on the side of your body.
6. Bottoms of pants may not drag on the ground. Pants should not hang low enough to see undergarments or skin.
7. Hair should be clean and groomed. Hair may not be sprayed by any coloring that would drip when wet.

ATTENDANCE

Every absence or tardy, even for part of the day, can interfere with your child's progress in school. It is especially important that your child be at school on time every day because you are establishing academic expectations for subsequent years.

It is important to note that absences will be marked in one of three ways, even when the absence is called into the office. The absences may be marked as follows:

- Unexcused (out of town, slept in, Disneyland, did not call in)
- Excused (i.e. a doctor/dentist appointment, funeral, religious holidays)
- Illness (i.e. fever, strep throat, etc.)

Attendance letters are sent out on a weekly basis. These letters are based on truancy (3 unexcused absences) as well as chronic absences which are absences for 10% of the school year, regardless of the reason for the absences.

You are encouraged to schedule medical/dental appointments during non-school hours and non-pupil days. Please bring your child to school before and/or promptly after your appointment. The office may request that you bring/send in a note from your doctor indicating the visit. Attendance incentives will be planned throughout the year.

REPORTING ABSENCES

If your child is going to be absent, call the school at 661-298-2280, respond to the automated call via Parent Square, or email lcoble@sssd.k12.ca.us by 8:45am. If you do not clear the absence, your child will be marked

as “unexcused.” Please try to notify the school office within 24 hours of your child’s absence.

TARDIES

Punctuality is an important part of success in education. We understand there are times when being late is unavoidable. Please reinforce that punctuality is an important expected behavior. There is a district policy regarding excessive absences and/or tardies.

If your child is on an intra-district or inter-district transfer they must maintain satisfactory academic achievement, attendance, behavior, and be punctual in arriving to class. If any of these conditions are not met, the transfer permit may be revoked.

SCHOOL ATTENDANCE LAWS AND REGULATIONS

State law permits students to be absent for justifiable reasons, which include, but are not limited to: funerals for an immediate family member, quarantine, illness, religious holidays and medical/dental appointments. However, when a student is frequently absent or tardy from school due to illness, the school may request that the parent/guardian provide written verification of the illness from the family physician.

Pinetree Community School will comply with the Education Code procedures. After receiving 3 letters, a meeting will be scheduled to put the student and parent/guardian on a **SART (School Attendance Review Team)** contract. The contract is valid for the current school year. If additional unexcused absences or tardies occur, the student and parent/guardian will then be referred to the Sulphur Springs Union School District and a **DART (District Attendance Review Team)** contract will be put in place. Should the absence/tardy number continue to increase the case will be referred to the **SARB (Student Attendance Review Board)**, which is an extension of the Superior Court.

INDEPENDENT STUDY CONTRACT

If your child has to be out of school due to circumstances beyond your control, please obtain an **Independent Study Contract** from the school office. Advanced notice is required to allow time for teachers and the school office to process paperwork. **ALL work must be completed the day of the child's return to school.** The teacher will grade the work and indicate if all assignments were completed for full credit. If the work is not returned within the time frame, the dates will be marked as unexcused. If you have questions regarding Independent Study Contracts, please contact Laura Cole at lcole@sssd.k12.ca.us.

BICYCLES AND SCOOTERS

Students in grades 3-6 may be permitted to ride bicycles and scooters to and from school. Students must submit a bicycle or scooter permission form (available in the school office) signed by parents. **Students must also complete a safety course**, offered by the school. Students must obey all traffic rules and wear a helmet, which is required by California State Law. Please make certain that your child/children are fully informed of all safety factors. If they do not follow the rules their permit will be revoked. Bicycles and scooters must be locked in the bicycle racks. **Students must provide a lock for their own bicycle or scooter. The school is not responsible for any bicycle or scooter that is stolen. No motorized scooters or bicycles are allowed.**

- Students must walk their bicycle on/off campus grounds.
- Students must have her/his helmet on before she/he walks off campus.

**** Skateboards, Hoverboards, rollerblades, and roller shoes are not permitted on campus. ****

CELL PHONES/ELECTRONIC DEVICES

The school is not responsible for lost or stolen personal devices. Devices include, but are not limited to, smart watches, cell phones, tablets, and gaming systems. These must be turned off in class and put away in the child's backpack, except when being used for a valid instructional or other school-related purpose, as determined by the teacher. **If a student's phone rings during class, or is used without the teacher's permission, the phone will be sent to the front office.** The phone may be picked up at the end of the day in the office by parent or guardian.

Adults and Students: Any device with a camera, video, or voice recording function shall not be used in any manner that infringes on the privacy rights of any other person.

CLASSROOM EXPECTATIONS

Each classroom has a set of rules, consequences, and rewards for students. Students are expected to be responsible for their actions, be involved in their own learning, set goals, and work cooperatively with their peers.

DOGS

To ensure the safety of our students, no dogs, with the exception of a certified service dog, are allowed on campus at any time.

EARLY STUDENT SIGN-OUT

All students leaving early for any reason must be signed out through the office. Parents/guardians are not to go to the classroom to retrieve their child. Students will not be called to the office until the parent/guardian signs the student out.

RELEASE OF STUDENTS

For your child's safety, we cannot release your child to anyone other than the parents or the designee noted on the emergency card. Please notify the office of any changes or special circumstances regarding your child's release. If you have arranged for someone to pick up your child from school, during school hours, the individual must be at least 18 years old with identification (**including siblings**). Additionally, any student who has not been picked up after the valet line has been cleared, will need to be signed out by a parent or designee noted on the emergency card in the office. If someone other than a person on the emergency card will be taking the student, written notice from the parent will be required.

EMERGENCY PROCEDURES

We will be conducting emergency fire and lock down drills during the school year.

We feel it is important to have our children prepared for any emergency that may arise, such as an earthquake, fire, animals on campus, etc.

STUDENT RELEASE PROCEDURES IN AN EMERGENCY

1. Students will remain with their class at their designated area on the grass.
2. The parent or designated adult picking up the student(s) must report to the front of the school where designated school personnel (they will all be wearing safety vests) will be. The parent or authorized adult must sign the Emergency/Disaster Release Form before the student will be released. In the event of an emergency, the school principal or designee has the authority to dismiss student(s) to any adult providing the following conditions are met: (a) the adult is listed on the Emergency Contact list in Aeries (b) the adult has identification (c) the adult will sign the Emergency Release Form

accepting responsibility for the student and indicate where they are taking the child.

Please make sure your child's emergency contact information in Aeries is current at all times. It is the district's policy to release students only to those adults listed in Aeries. **Notify the school office immediately if there is a change in the home address or phone number.**

FOOD FOR THOUGHT - CELEBRATIONS

The Sulphur Springs Board of Trustees has a Student Wellness Policy in coordination with the Federal Nutrition Regulations. To meet these guidelines, we ask that you send in a birthday treat option that is low in sugar and fat, or consider a non-food option. **Only store-bought items with ingredients listed will be allowed.** Please contact the teacher beforehand to check for food allergies (i.e. dairy, nuts, and gluten, etc...). With your support we can ensure the health of our children.

Here are some suggestions:

1. Cut up fruit and veggies with dip (prepackaged with the ingredients listed)
2. Non-food treats, such as pencils, erasers, notebooks or bookmarks
3. You can donate a book or recess equipment in the child's name to the teacher

HOMEWORK POLICY

Homework occupies an important place in the educational program. The program has definite value in assisting children to develop self-direction and self-discipline by promoting study habits and study skills, which will serve as an important link between the home and the school. An important aspect of the homework policy is keeping parents informed of the school's curriculum and their child's progress.

The desired outcomes of homework include:

1. Providing practice in needed skills.
2. Increasing awareness and training students in good independent study habits and the ability to budget time.
3. Expanding knowledge through diverse activities.
4. Strengthening parents' understanding and awareness of grade level curriculum and content standards.
5. Strengthening the connection between school and home.

LIBRARY

- Classes have a regularly scheduled block of time.
- Books are checked out for one week and may be renewed for an additional week.
- Students are responsible for returning books by the due date.
- If your child loses their library book, we ask that you try and replace it with the same or similar book. If you're unable to replace the book, please know your child will still be allowed to check out library books.

Readers Are Leaders! Students in grades K through 6th participate in the Accelerated Reader Program. Each student is given their reading level and a reading goal. Students read books at their level and earn points.

You can access your child's reading progress using Renaissance Home Connect. Please reach out to your child's teacher for login information to view the books your child has been reading and their test scores. Help motivate your child by talking to him or her about the books they read.

LOST AND FOUND

Articles of clothing and lunch boxes that are left on the playground or field areas will be placed in Lost & Found. **Please label all articles with your child's name.** Unclaimed items are periodically donated to local charities.

MEDICATION

The following procedures must be followed to ensure student safety.

1. No medication can be administered to students without physician and parental consent. This includes over-the-counter drugs (i.e. cough drops, Tylenol, etc.) as well as prescription medications.
2. A District Medication Consent form must be completed by the physician and signed by the student's parent or guardian. New forms must be completed each school year.
3. All student medications must be brought into the office by a parent or guardian. They need to be in the container dispensed by the pharmacy, and the information on the label must coincide with the physician's order. They will be kept in the school health office and administered by one of the office staff.
4. Office staff who administer the medication will record the date, time, and dosage on the student's medication record.

****All medication from the current school year must be picked up on/before the last day of school. All medication not picked up will be discarded before the office closes for the summer.**

MESSAGES FOR STUDENTS OR DROPPING OFF ITEMS/ETC.

We value each moment of uninterrupted classroom instruction to help ensure academic success of our students. For this reason, the office staff will email the teachers with the information.

Telephone calls to teachers and students will **NOT** be put through to the classroom. Teachers check their boxes and email regularly throughout the day. It is important that you and your child plan for after school activities before your child comes to school.

Make Good Decisions

Solve Problems

Show Respect

PINETREE PLEDGE

Students hear the Pioneer Pledge daily during our Pinetree News videos. We ask that you help us reinforce that actions are as powerful as our words. Our goal is to reinforce and build strong character traits. Students receive “Caught Showing Pride” tickets when they demonstrate positive character traits. Each week, student’s names are drawn, and these students are recognized on Pinetree News.

Pinetree Pioneer Pledge

Pinetree Pioneers have PRIDE.

We show **personal responsibility**, **respect**,
integrity, **determination**, and **empathy**
in order to make reasonable choices,
solve problems, and show respect.

I promise to model:

Personal Responsibility: I am accountable for my actions, choices, and the results.

Respect: I show consideration, appreciation, and acceptance of myself, others, and our school.

Integrity: I make the right choices, even if no one is looking.

Determination: I set goals and meet expectations.

Empathy: I consider the feelings of others in all interactions.

SUSPENSION

Inappropriate behaviors, such as fighting, threatening or endangering others, bringing any kind of weapon, and using racial slurs, may result in a suspension and possible expulsion from school per California Education Code 48900.

TECHNOLOGY AND INTERNET

Students are provided opportunities to use technology (i.e. computers/internet/SmartBoard, iPads) to practice skills and develop reasoning and problem-solving abilities.

Before using online services, the student and parent/guardian need to sign the district's user contract indicating that the student understands and agrees to abide by specified user obligations and responsibilities. Students who fail to abide by these regulations shall be subject to disciplinary action, revocation of the user account, and legal action as appropriate. Students shall receive instruction in the proper use of these resources.

VOLUNTEERS

STUDENT VOLUNTEERS

Honor students in junior high and high school who need community service hours must contact the school office and get approval a week before they want to volunteer. The student needs to provide paperwork from the organization indicating the number of hours needed. The office will verify the paperwork before placing the student with a teacher.

PARENT/GUARDIAN VOLUNTEERS

To ensure the safety of our students, only registered and authorized individuals are allowed to work in our classrooms. Please read the Volunteer Handbook that is posted on the school website:
<https://www.sssd.k12.ca.us/Page/1026> If you need more information contact the Pinetree office.

Volunteers **MUST** sign-in at the office and will receive a visitor sticker with name and date on it. The visitor sticker must be worn at all times in a visible area. When you are done volunteering you need to sign-out and return the sticker. Failure to repeatedly comply with our safety procedures will result in the volunteer not being allowed to volunteer on our campus. Due to safety regulations, children who are not registered as students may not accompany our volunteers.

When on campus, our volunteers are under the supervision of the teacher, a certificated employee. Volunteers are not allowed to be in a classroom without the teacher present and volunteers are not allowed to accompany students to the office and/or restroom.
